Husky All-Stars

Supporting Business Donor Program

Businesses that give back help keep our community strong!

The Hillsdale Elementary School Parent Teacher Organization (PTO) is a non-profit charitable organization dedicated to supporting Hillsdale Elementary School in the heart of West Chester, PA. By partnering with generous businesses that see the value of investing in our community's future, we provide critical funds, supplies, and programs to our students and teachers. Here is a small sampling of the support you make possible when you become a Husky All-Star:

- ★ School supplies for underprivileged students
- ★ Teacher grants for classroom supplies
- ★ Field trips and school assemblies
- ★ Playground equipment
- ★ Extracurricular Programs
- ★ Financial aid

We are currently assembling our 2018-2019 All-Star lineup, and we would love to include your business! For information, contact Nancy Wood at hillsdaledirectory@gmail.com or call 484-319-7395.
