

# Hillsdale PTO Volunteer Form

We ask that every member of this Hillsdale community commit to at least 1 event. The children LOVE to see you involved and it's a GREAT way to meet other parents! Whether you are working full-time, part-time or a stay-at-home parent...there is something for everyone! We have indicated which activities are during school hours and which are not for your reference below.

Please return this form (one per family) to school by: **Friday, September 7<sup>th</sup>, 2018**
