

Welcome Back from the Hillsdale PTO!

Welcome back for another fun year at Hillsdale! We have many wonderful events planned but we cannot do it without volunteers and money. This packet contains information on how you can get involved and how you can support our children via the Cash Campaign. It also explains how the PTO communicates important information via the emailed newsletters, social media and text alerts. Help us reduce our impact on the environment by utilizing these communication tools. We strive to minimize the paper handouts we send home throughout the year. Please read the packet carefully and consider how you can get involved. There are opportunities for everyone to help out so if you have any questions or feedback please contact us! We appreciate all of your support, time and resources – together we can create quality, memorable experiences for the children! Thank you!
